

General Overview

The table below outlines the contingency plans in place for how Swimming NZ will respond to each respective alert level for each SNZ event listed below.

Event	Level 1	Level 2	Level 3	Level 4
NZ Champs	Proceed as normal, exercise good hygiene	If any region in NZ is at level 2, and given the government guidelines that you take your level with you, the event will be postponed to a new date if possible within a 3 month window Olympic & Paralympic long list athletes will have their opportunity to swim their races at NAGS. These long list athletes will swim alongside NAGS swimmers during the heats, but have their own timed finals in the evenings and not impact age group finals	If any region in NZ is at level 3, and given the government guidelines that you take your level with you, the event will be postponed to a new date if possible within a 3 month window Olympic & Paralympic long list athletes will have their opportunity to swim their races at NAGS. These long list athletes will swim alongside NAGS swimmers during the heats, but have their own timed finals in the evenings and not impact age group finals	If any region in NZ is at level 4, the event will be postponed to a new date if possible within a 3 month window Olympic & Paralympic long list athletes will have their opportunity to swim their races at NAGS. These long list athletes will swim alongside NAGS swimmers during the heats, but have their own timed finals in the evenings and not impact age group finals
NAGS	Proceed as normal, exercise good hygiene	If any region in NZ is at level 2, and given the government guidelines that you take your level with you, the	If any region in NZ is at level 3, and given the government guidelines that you take your level with you, the	If any region in NZ is at level 4, the event will be postponed to a new date if possible within a 3 month window

		<p>event will be postponed to a new date if possible within a 3 month window</p> <p>If NZ Champs has also been postponed, we will host a combined age group and open event, ideally within a 3 month window.</p>	<p>event will be postponed to a new date if possible within a 3 month window</p> <p>If NZ Champs has also been postponed, we will host a combined age group and open event, ideally within a 3 month window.</p>	<p>If NZ Champs has also been postponed, we will host a combined age group and open event, ideally within a 3 month window.</p>
Div II	Proceed as normal, exercise good hygiene	If any region in NZ is at level 2, and given the government guidelines that you take your level with you, the event will be combined with NZ Secondary Schools	If any region in NZ is at level 3, and given the government guidelines that you take your level with you, the event will be combined with NZ Secondary Schools	If any region in NZ is at level 4, the event will be combined with NZ Secondary Schools
NZ Secondary Schools	Proceed as normal, exercise good hygiene	If any region in NZ is at level 2, and given the government guidelines that you take your level with you, the event will be postponed to a new date if possible within a 3 month window	If any region in NZ is at level 3, and given the government guidelines that you take your level with you, the event will be postponed to a new date if possible within a 3 month window	If any region in NZ is at level 4, the event will be postponed to a new date if possible within a 3 month window
Short Course	Proceed as normal, exercise good	If any region in NZ is at level 2, and given the government guidelines that	If any region in NZ is at level 3, and given the government guidelines that	If any region in NZ is at level 4, the event will be postponed to a new date if

	hygiene	you take your level with you, the event will be postponed to a new date if possible within a 3 month window	you take your level with you, the event will be postponed to a new date if possible within a 3 month window	possible within a 3 month window
Other National Events	Proceed as normal, exercise good hygiene	<p>If the host region is at level 2, the event will either be postponed or cancelled depending on the event itself</p> <p>If another region is at level 2, there would be an intention to proceed whilst complying with Covid-19 guidelines depending on the event (given that some of the other events will be smaller in number and possibly able to proceed under these guidelines)</p>	If any region is at level 3, the event will be either postponed or cancelled depending on the event itself	If any region is at level 4, the event will be either postponed or cancelled depending on the event itself

Please note: only events where all participants are permitted to attend will they be classed as a national championship event

Please note: if someone or a close contact (ie: someone who lives in the same building) wishes to attend an event has had a Covid-19 test and has not yet received a negative result, then attendance at the event will not be permitted.

Reminder: age group swimmers who have qualified for some events at NAGS and/or NZ Champs, can still attend Div II if there are any events they have qualified in there
