

## Sportsmanship

Aquabladz NP Swimming Club is based at both the Methanex Bell Block Aquatic Centre and the Todd Energy Aquatic Centre.

We cater for competitive and non-competitive members and work closely with all learn to swim programmes in New Plymouth.

Our club endeavours to lead by showing integrity, professionalism and good sportsmanship.

*"You can't put a limit on anything. The more you dream the farther you get." Michael Phelps*

Our goal as a club is to promote, encourage and provide an environment where the whole family can get involved and contribute to the success of each swimmer and the success of the club.

We welcome all swimmers who have progressed from a learn to swim programme. All levels of swimming are catered for, whether they are ready to have a go at 25m races at Club Night or to compete at local Carnivals right through to national and international competitions.

Please see the club noticeboard at each pool, or our website and facebook page for further information regarding Membership, Club Night, Carnivals and Swim Leagues.

The club works alongside a highly qualified team of coaches led by Head Coach Sue Southgate. Sue's coaching staff oversee stroke instruction across various squads and training sessions at both pools, 6 days a week. Catering for all abilities from development to elite performance.

The competitive arm of the club is **Team Aquabladz**. These swimmers travel to different swimming competitions over the season both nationally and internationally.

For more information on squad availability and structure, contact our **Head Coach, Sue Southgate:**
