Welcome to the 2014-2015 Season

A little background...

Bream Bay Swimming Club was formed in 1976 and is the only affiliated club promoting swimming in the Bream Bay District. The club helped develop the Bream Bay College pool and has an ongoing agreement to use this during summer.

Some club aims:

- *Encourage children of all ages to develop water confidence and participate in physical activity.*
- *Promote swimming as a fun activity and encourage individual goal achievement.*
- *Provide training sessions covering all strokes and development of individual swimming techniques.*
- *Develop & support swimmers who wish to participate at a Club/Northland/National level.*

Bream Bay Swimming Club is affiliated to the Northland Swimming Association which enables our swimmers to participate in a number of competitions through the year.

Swimmers can register to be competitive or club swimmers. Registration forms are available from Denis Garner. See below for fees and categories of registration.

Club swimmers need to be able to swim 25m freestyle without stopping (one length of the college pool). Generally, they only compete in club events: club race

	1st Child	2nd Child	3rd Child
Competitive	\$160	\$150	\$140
Club swimmer	\$70	\$60	\$50
Recreational	\$5		

nights, club champs, club long distance swim, and some carnivals which allow non-competitive entries.

When swimmers wish to compete in carnivals around Northland, they must register to be a competitive swimmer with BBSC and we forward the required fees and details to Swimming Northland on their behalf. If unsure, you may upgrade during the year.

The BBSC membership year runs 1st April to 31st March annually. Continuing competitive swimmers need to pay their registration fees as soon as possible. There are several carnivals held over winter that you may want to participate in. There is a financial penalty for any club attempting to enter unregistered swimmers in carnivals.

Occasional swimmers can join as a "social swimmer". They are not eligible to compete at Club Championships, but can take part in club nights which are held at the college pool most weeks during summer.

A major focus for our swimmers is the Northland Age Groups, to be held in January 2015. At a national level competitive swimmers can set their sights on qualifying to swim at NZ Juniors (for under 13s); NZ Division II, NZ Short Course Championships, NZ Age Group Championships and, at the highest level, NZ Opens.

NZ Juniors team 2014: Tiahorangi Morgan-Edmonds, Conor Swords, Jordan Car-swell

FUNDRAISING: We keep fees as low as possible - to continue, ALL families need to support fundraising efforts (supermarket stocktake, Ruakaka race days, swimming carnivals). Thanks in advance for your help!

Our Coaches

Our coaching staff, Richard Dunkerton (Mr D) and Tiana Birchall are a father/daughter team with a strong family history of swimming in Northland and a combined 45 years of coaching and teaching experience.

Tiana, Mr D and the 2014 Rising Stars Championships Team

Mr D is a life member of both the Bay of Islands Swimming Club and Swimming Northland, and is enthusiastic about bringing his skills to the next generation of swimmers. He currently sits on Northland's Awards committee, Technical Committee and is a Technical Examiner.

Tiana swam as a National Age Group finalist. She also holds a NZ Life Saving Distinction Award, is a NZ Life Saving Examiner, Learn to Swim Instructor and has operated her own swim school for 11 years.

What's Expected From Swimmers and Families?

Regular attendance at training—swimmers with high attendance perform better. Arrive at pool before training and be ready before training starts.

Show respect to your coaches and anyone helping with training—they're giving up valuable time for **YOU!** **Parents, please respect coach decisions regarding the readiness of your swimmer to progress through squads.**

Swimmers should bring a water bottle to training, a towel and warm clothes to change into after training, especially during winter.

Participation in club nights.

Be positive and give maximum effort at training—you get out what you put in.

Club Nights:

Club nights are held most weeks through summer, weather depending, at the Bream Bay College pool. Check the Club Calendar (p8) for dates.

Club nights provide valuable racing practice and ALL swimmers are expected to attend. These nights are also open to social swimmers—adults and children.

Club nights are a compulsory training session for senior squad swimmers—these swimmers will have a 45 minute warm up/training session before club night starts, to be supervised by parents.

Club night results are recorded and determine the winners of the Improvement Cups at the end of the season.

Parents, you are ALL needed to:

Arrive at 4.45 to help set up and submit entries.

Assist with timekeeping and other jobs & with clean up.

Ensure your swimmers have enough towels, warm clothes (including beanies, jacket and warm footwear), water bottle and food.

Follow pool rules and ensure your child does.

*Cancellations: Sometimes club nights are cancelled due to bad weather. A decision will be made at 3.30pm. If you wish to register for cancellation text notification, please register with Julie Paton on 027 6015525.

Meet Standards:

Please go over the following with your swimmer:

BREAM BAY COLLEGE POOL RULES:

ALL CHILDREN MUST STAY IN THE POOL AREA AT ALL TIMES

Absolutely no one in the water until a safety person is onsite and ready to watch. This person is prepared to go in the water if needed.

A parent or caregiver must supervise non-swimming children at all times.

NO bombing

NO jumping in the pool

NO open wounds

Swim caps are compulsory.

BBSC Club Nights follow national swim meet standards to help prepare our swimmers for carnivals.

The Marshall advises when swimmers are allowed in the pool for warm up and when warm up time is over.

The Marshall will call swimmers to the marshalling area for their events—swimmers need to stay alert to the programme.

Listen carefully for your name, line up according to lane and heat.

Don't approach the blocks until the previous race has started.

Swimmers' deck cards must be given to the timekeepers just prior to mounting the blocks.

Once the starter's whistle blows, EVERYONE MUST BE QUIET!

Over the top start: Swim the event; stay in the water after completing the event; exit water from a side of the pool after the next race starts, or as you are advised.

CLUB NIGHT CALENDAR

CLUB NIGHT FORMAT

- 4pm: Pool opens, set up for A squad warm up
- 4.45pm: Entries taken; younger swimmers warm up
- 5pm: Entries close
- 5.15pm: Pool cleared for start of racing
- 6.30pm: End of races, pool cleaned up and closed.

Swimmers to choose four swims of the following: 1x 200m, 2 x 100m, 2 x 50m, 2 x 25m.

Swimmers will also swim in mixed ability relay teams; teams to be made up and strokes decided on night.

Points System: Points awarded for personal bests (carnival times will be used). Heat winners will receive a jelly airplane.

Sausage sizzle: will be run if someone is keen to do this.

CLUB NIGHT TROPHIES

There are four trophies for Improvement Performance on club racing nights. The categories are boy/girl, 12 & under and 13 & over. Age for this purpose is swimmer's age on 1 Jan 2014.

Points are awarded as follows:

1 point = for each race swum.

3 points = for each personal best achieved.

Swimmers should be advised to enter all four races allowed

They should vary what they enter each night in order to maximize their opportunity to achieve a personal best as their swimming improves over the season.

2014 National Age Groups Team: Back row: Coach: Richard Dunkerton, David Platt, Elijah Purnell, Dylan Sims, Kieran Swords, Paul Linton. Front row: Ruby-Lee Beckham, Isabelle Paton, Emma Wickham.

Club Champs (15 Feb & 1 March 2015)

Bream Bay Swim Club's Championship Competition—competitive and non-competitive members are eligible to compete.

No entry fee, advance entry only—Denis will ask for entries as per a normal carnival.

Age is at the first day of the meet (15 Feb 2015)

All hands on deck—we run our championship competition as a competitive carnival. We need timekeepers on each lane and all other poolside help are needed as well.

There are trophies for the overall girl and boy champ, plus trophies for junior boys and girls and senior boys and girls for the 100m IM and trophies for the top under-9 swimmers for the four 25m events.

Warm up starts at **9.30am** both days.

Competitive Swimming

Competitive swimmers need a copy of the Swimming Northland Yearbook. These will be handed out, one per family, when they're published.

A copy of the Northland Competitive Calendar is on page 15.

Carnival Flyers are on Swimming Northland's website and the website www.swiminfo.co.nz. Our carnival secretary Denis Garner will ask for online entries ahead of each carnival—make sure entries are in by his deadline!

Check with your swimmer's coach about what to enter if you are in doubt.

Denis will send entries out to check—make sure yours are correct, contact him if they're not.

Psych sheets will be posted on the swiminfo site so you can check out the competition.

Carnival entry fees are due immediately. You can pay by direct credit to the club's bank account (page 26).

NZ 2014 Div II team: Seth Faoagali, Kara-Jane Beckham, Elijah Purnell, Rose Linton, Paul Linton

SWIMMING CARNIVALS—WHAT YOU NEED TO KNOW:

Aim to arrive 15 minutes before the start of warm up.

Bring: plenty of towels, team uniform plus warm clothing, water and appropriate food. Spare goggles and caps are also a great idea. If it's an outdoor pool sun protection AND rain protection are necessary.

On arrival your swimmer should report to the Team Manager (if you don't know who this is on the day, ask). If your swimmer is unwell or unable to swim for some reason, you must get a message to the Team Manager before the carnival starts so they can be scratched. Swimmers who simply don't show up for a race they're entered in may be fined.

A coach or senior swimmer will take the team for stretching before their warm up swim.

Seating is often very tight at indoor pools, so ensure ALL swimmers, our coaches and the team manager have a seat before any other adults (including parents) sit with the team. Bring your own folding chair in case you need to sit elsewhere. Your swimmer needs to keep their gear together, and keep themselves well hydrated (water is best) and fed.

Swimmers MUST sit with the team so the Team Manager can tell them when to go to marshalling before their event.

Everyone must stay quiet when the whistle blows at the start of each race, until the race starts so swimmers can hear the starter's instructions.

Uniform: Swimmers must wear their Bream Bay caps when competing and team uniform to wear for a team photo, taken at most carnivals. Sharon Carroll can help you with uniform options, sizes and prices (ph 027 265 3227)

Disqualifications: All swimmers are watched during their races by officials around the pool. If a swimmer is judged to have broken a rule, officials fill out a disqualification form which the Team Manager signs. It costs \$50 to protest a DQ and is usually unsuccessful—swimmers should try to treat disqualifications as a learning experience.

Officials: Each swimming club is required to supply a number of officials at each carnival; so all parents need to help at some point.

2014 BBSC President's Report:

Firstly I would like to thank our coaches Richard Dunkerton (Mr D) and Tiana Birchall for all the time, energy and commitment they give our swimmers, in particular this last year which has been hugely difficult for them with the sudden illness and passing of his wife and Tiana's mother Lee.

This season the club has seen the results of their efforts with club swimmers participating at regional and national competitions.

Three swimmers, David Platt, Isabelle Paton and Kieran Swords competed in the NZ Short Course Championships in Wellington last September.

Three swimmers, Jordan Carswell, Tiahorangi Morgan-Edmonds and Conor Swords attended the NZ Junior Championships in Wellington in February. Five swimmers, Elijah Purnell, Paul Linton, Rose Linton, Seth Faoagali and Kara-Jane Beckham attended the NZ Division II Championships in Hamilton in March. Elijah got a gold medal in the 400m free and also qualified for NAGS. Paul got gold in the 100m back and also qualified for NAGS. A great effort by our swimmers resulted in the team ranked 29th out of 74 clubs competing.

Three swimmers, David Platt, Emma Wickham and Ruby-Lee Beckham qualified for and competed at the 2014 NZ Open Championships in Auckland in April.

Nine Swimmers, David Platt, Elijah Purnell, Dyaln Sims, Kieran Swords, Emma Wickham, Ruby-Lee Beckham, Isabelle Paton, Turanga Morgan-Edmonds and Paul Linton qualified for NAGS. All swimmers apart from Turanga attended the competition in Wellington in April/May. All our swimmers performed well, swimming PB's and a number of them making finals. Our swimmers, Kieran, Paul, Emma, Ruby-Lee and Isabelle, participated in regional medley relays and both teams placed 9th. Overall the club performed very well and ended up ranked 48th out of 68 clubs competing.

A big thanks to our management committee who generously give their time to run our club over the last twelve months. Thanks to Denis Garner for his patience with our carnival entries, a difficult job that people try to steer clear of. Thanks to Julie Paton and Adrienne for looking after publicity and the books and also communication with A and Development squads.

A big thanks to Louise Wickham and Tania Morgan for organising our Club Carnival. Thanks to Louise for being meet director for our carnival and several Swimming Northland carnivals. To our Officials, Julie Paton, Les Platt, Denis Garner, Mr D and our parents who timekeep on a regular basis, thank you, without your assistance we would be unable to run carnivals. A special thanks to Kerry Somner for the dry land training she has given our swimmers this season, we have seen some real benefits from this training, thank you.

To all our sponsors: ASB Trust, Oxford Sports Trust, Northport, Generation Homes, Tiana's Swim School, North Tugz and Scavengers a huge thankyou. Your support enables many families to continue participating in this rewarding but costly sport.

Club President Mike Swords, 11 May 2014

.How to Pay

1. Internet Banking works best: please make your payments to Bream Bay Swim Club **12-3115-0204744-000** with your surname as a reference.
2. Please try to keep up with your payments as the club has administrative and running costs to cover. Treasurer Adrienne Carswell will text if you have money owing. If you know you will have difficulty making a payment, she will be happy to discuss payment options.
3. Registration fees are due from July—swimmers can only enter carnivals once these are paid.
4. Training fees are paid to the club to cover coaching fees and pool running costs. These will vary from term to term depending on our success with grant applications and will be set at the beginning of each term.
5. Carnival Entry fees: At each carnival there is a per swim entry fee. Please pay your swimmers' fees to the club when you send in your entries.
6. Accommodation: Some carnivals require overnight accommodation. Usually we try to stay together as a club and seek a grant to keep costs down. The Treasurer will let you know how much you owe, if not paid directly.
7. Uniform: Tiana takes orders for club shirts and also sells Bream Bay caps at her pool. Please ensure your swimmer has uniform to wear to carnivals. Club hoodies are also available and a great option for keeping warm at carnivals —Julie Paton will place orders for 10 or more.

Handy Hints for Swimming Carnivals

Check which pool the carnival is at. Yes, really. Give yourself plenty of time to get there before warm up.

Train your swimmer to pack their own gear (then check it!) - togs, towels, goggles, caps and spares, food and water, warm clothing.

Before leaving a carnival, ALWAYS report to the Team Manager—your swimmer may have further events.

Review carnival information on p11 & 12.

Suitable food/snack suggestions for swimmers are easy to find on the internet—or ask other swimming parents.

If the competition is at an outdoor pool, take sunscreen and hats, also a raincoat and plenty of warm clothes and something to sit on. Sleeping bags are a good option for swimmers to keep warm. We usually put up our club tents too. Between races, swimmers should keep warm, rest as much as possible and refuel.

Review the Meet Standards on page 7 of this book with your swimmer before a carnival.

Make sure your swimmer knows what races he/she is doing on the day. Don't expect the coach to remember, that's not their job.

Programmes will be on sale before the carnival start. Bring a pen, highlighter and your yearbook (for qualifying times).

Away competitions: Take food that is quick to cook or reheat as we may be late back to the motel and your swimmer will need to eat and rest. Take a drying rack and enough towels for two sessions. Rest is vital: ALL swimmers need some quiet time during breaks in long competitions—please keep non-swimmers quiet during these times. Older swimmers and non-swimmers (including parents!) socialising at night ed to keep noise down so younger swimmers can sleep.

far will ever know how
far they can go.**
