

Competitive Fee (How It Works)

Registered competitive swimmers will have the opportunity of entering into meets throughout the year.

Entry forms/sheets displaying events and Fees for a particular meet will be posted on the club notice board and Entry Tab above.

HOW IT WORKS....

Your child's coach will choose the events they think will be best suited for each swimmer, then advise and discuss further with parents if necessary.

- Our club will have a CLOSING DATE for entries which will be 5 days before the HOST MEET entries close.
- Confirmed entries will be sent to the Club Recorder for entry into Team Manager Programme.
- An entry and Fee report will be generated and sent to Parents and Coaches via e-mail.
- Coaches/Parents will have 4 days from receiving entry and fee reports to make changes to events or withdraw swimmers from a meet before the final entries and fee reports are sent to the meet host.
- Late entries or withdrawals may result in a penalty fee payable by the swimmers parents.
