Kane's FINA World Championship Campaign in Russia

Kane finished 30th in the men's 10km Open Water Swim at the FINA World Swimming Championships in Russia, on the Kazanka River. 1hr51m29s to finish 1m29s behind winner Jordan Wilimovsky (USA).

He was also the New Zealand's flagbearer at the opening ceremony. Kane joined some illustrious swimmers including Olympic champion Ous Mellouli (TUN) and early leader Gergely Gyurta (HUN) This was a race within the race with the top 10 swimmers qualifying for the Rio Olympics. It might not have been the result he wanted but he has come away learning what he needs to do now and has a year to focus on the next qualifying race .

Congratulations Kane on an awesome effort. Check out the "walking on water" photo on Facebook too.

We want to know what you think!

Please take the time to complete the Survey Monkey sent out by email in the last week. We would really appreciate your feedback.

Swim Rotorua Short Course Meet tomorrow **Sunday 2nd August** in the 25m pool.

8.00am warm up 9.00am start so be there for 7.40am warmup and team meeting

Meet fees and information will be out from the recorder shortly.

We really need more people to help with the "Before & After" bits so if you are swimming please, as parents help us out. We would really appreciate it. It does not just happen, so as the saying goes "many hands make light work" Help too for timekeeping etc. over the day and with a food donation for the Officials. This helps us to keep the costs down to you, so a plate of sandwiches / savories or fruit and crackers.

Names / numbers will be taken on entry to the Aquatic Centre as, as advertised with the flyer, there is a spectator fee of \$2. All Officials, Timekeepers and Coaching staff must give your name into Pauline at the front door. Many thanks!

Coming up: National SNZ Short Course in Auckland. We have attending Ana, Bianca, David, Paddy, Jack & William who are being joined by Damon and James. Congrats to our other qualifiers unable to attend at this time. Final information has been sent out from Bronwen and Claire will be your Camp Mother.

If you need any Swim Rotorua uniform contact Bronwen ASAP

MIDNIGHT MILO MADNESS - did you go?

Many thanks to the great number of you who came along to this event and for bringing your parents along at that hour of the night! A lot of fun, which would not have happened without the help of the Aquatic Centre's Noel who came in early and joined in on the "Swiftly 50" race. Hope you all slept well after the Milo and mark your diary now for January 2016!

BOP Short Course Champs on the 17th to 19th July held at Baywave, Mount Maunganui. Well done to everyone who went for the long weekend. You have done us proud and there were many outstanding efforts, PB's, medals & ribbons and a number of BOP Records that came back to Rotorua. The Girls 1500 Free followed swiftly by the 200 Free 1st 2nd 3rd medals, what an effort from Bianca, Milla & Emily!

Another outstanding swimmer was Lina, coming back from Illness on Saturday & taking a Bronze Medal and wonderful swims from Jasmine, Rebecca, Huntar, Kapua, Sam and Clay, all taking the lead from our senior swimmers. A long weekend but worth it!

A HUGE thank you to our parents ensuring the timekeeping sessions went well, the coaches & team managers and to the officials for their time setting up, officiating and then taking it all down at the end on Sunday. To Bronwen for driving the truck, setting up scaffolding, running the event and driving the truck back again!

Term 3 Welcome back.

Week 3 of the term coming up already but great to see so many of you accepting the challenge of you're promotions. The extra 50m pool Wednesday training session for Super-Gold got off to a good start in the first week of the term too, where they are enjoying using the turning boards too.

Athletes of the Month for July 2015

Silver: To follow

Gold: To follow

Metro:

Awesome work from HANA STUBBINGS earns her the Metro award for this month. Well-done Hana!

Performance A:

A big well done to ANA NAGERA who takes the top award for July. Ana has really bounced back and is training well. Her performances at the BOP Short Course Championships were fantastic. She dynamited her best times by huge margins and continues to work hard. Well done Ana!

Performance B:

Congratulations to MILLA THEOBALD who is the winner for July. Milla has trained extremely well over the last few weeks. She has always been very focussed, but has now taken it to a higher level. As a result her training times on swim, drill and kick are all way faster. Well done Milla!

Performance C:

A big well done to ROBBIE DALZIEL who has done a great job since moving up. Robbie quietly gets on with his training and is very coachable. He works hard and listens well to instructions. As a result, he is training faster and looks really good in the water. Well done Robbie!

Apologies. Further to contact from some of you, **we were very sorry for the late cancellation of the July RACENIGHT, circumstances beyond our control. August racenight is on the 30th and details to follow.**
