

Junior Academy Newsflash

Term Two 2017

Central Bay of Plenty Interschool Swimming Sports

The above was held on Tuesday 4th April at Rotorua Aquatic Centre. A magnificent day and fun was had by all. It was great to see so many Swim Rotorua swimmers competing, and what an outstanding effort with many first and second places being taken out by Swim Rotorua.

A warm welcome to the Rockets who have moved up to the Junior Academy (now known as Junior Gold):

Ian and Angus Crimp, Hitinui Pike, Nicola Bigwood, Liam Booth, Hone Curtis, Nicholas Dault, Savannah Flood, Patrick Old and Wesley Larey

New to Super Gold (who were known as Level 3):

Lily London, Hannah Kiernan, Quinn Stowell, George Terry and Oliver Staunton.

Congratulations to you all!

Breaststroke Clinic

Throughout my first term with Swim Rotorua I identified many children having difficulties with this stroke. I was given the opportunity to run a breaststroke clinic for those children. Not only did it prove to be beneficial, but fun was had by all those who participated

I would like to send a big thank you to both James Baldwin and David Boles for the help, time and effort given to this clinic.

Both David and James will be helping out on poolside every Wednesday during this term. They are both working towards their 'Swim Teacher' award and completing their teaching hours with the Junior Academy. This is an enormous benefit and the Junior Academy are very fortunate to have them.

The month of June will focus on a different challenge each week. Whether it be on distance, speed, survival or simply just a fun. These challenges will be run every day throughout the month of June. It will be great to see many of you participating in these challenges. Roll on June!!!!!!

Splash Night

This will be held on Sunday 25th June from 3 – 5pm, see how many speed awards you can achieve.
