TBSS CENTRAL CITY CLUB UNIFORMS

Our TBSS CCY club uniform is an expression of our Club identity. It builds, reinforces and promotes our club spirit. All Club members are encouraged to purchase items from our uniform range at any time and wear them with pride.

POLICY

1. Swim Caps

All registered competitive swimmers are required to wear the TBSS CCYAK Club swimming cap to swim meets of any level. New members will receive a complimentary first cap in their registration pack.

2. Level 3

Entry level competitive swimmers will not be required to purchase club uniforms but may do so if they wish.

3. Level 2

All Level 2 Competitive swimmers are required to purchase and wear the club's white polo shirt to swim meets. The Club also strongly encourages level 2 swimmers to invest in the Club tracksuit.

Any Level 2 swimmer who qualifies for and competes in Regional (e.g. Ak Juniors, Ak Age Groups or Ak Open's) or National Championships MUST wear a Club tracksuit with the polo shirt to these meets.

4. Level 1

All level 1 Competitive swimmers are required to wear a Club tracksuit and white polo shirt or blue National meet polo shirt (see below) to ALL swim meets.

5. National Meet representative polo shirts

Swimmers who qualify for National Juniors, National Age Groups, Div II or New Zealand Open Championship events for the first time and swim for the club at that event, will be presented with the club's blue polo shirt to wear to the meet. This shirt recognizes the swimmer's achievement in representing the club at the National level. The blue polo shirt may then be worn as an alternative to the white polo shirt to any other swim meet.

NOTE: At multi-day National events, swimmers may be required to wear a white polo shirt and a blue polo shirt on alternate days as directed by the club's head coach.

6. National Representative Hoodie

Swimmers who qualify for National Age Groups, Div II or New Zealand Open Championship events have the option to purchase the club's white hoodie to wear at these meets.

These hoodies have the club logo on the front, and are customized for the individual with their name (or nickname) printed on the back.

Items available in the Club Uniform Range are all printed with the Club logo:

- Tracksuit
- White Polo shirt
- Black shorts
- Blue National Meet Representative polo shirt (as per policy item 5.)
- National Representative Hoodie (as per policy item 6.)
